Pro Prep® Chopper-Grinder

Pro Prep® Chopper-Grinder

MAIN FEATURES

- Powerful, ¾ HP, high-speed, 2-pole induction motor runs fast and quiet. Heavy-duty design gets up to speed quickly and maintains high speed for quick and efficient grinding and chopping.
- Blades, bowls and covers are all dishwasher safe for quick and easy cleaning.
- Bowl assemblies stack on top of one another for compact storage. Stack multiple chopping and grinding bowls for quick and efficient storage in busy kitchens.
- 2 separate bowl and blade assemblies, one for grinding and another for chopping.
 - The chopping assembly consists of a ¾-quart, see-through work bowl with a 2-blade hub designed for fast and efficient chopping of foods such as garlic, shallots, onions, and leafy herbs like basil, rosemary, parsley and thyme. The chopping bowl cover has 2 protected openings that let you add ingredients with the motor running.
 - The grinding assembly is a unique, patent-pending, ¾-quart, see-through work bowl with cover, and a 3-blade hub to grind spices and hard foods, such as cheeses, chocolate, nuts, coffee beans, peppercorns, allspice, celery seed and mustard seed. The grinding bowl cover is closed on top and has a handle for a secure grip.
- Safety features protect you and the processor. Thermal overload protection guards the motor from damage due to heavy-duty loads and excessive use. The safety interlock system does not allow the processor to operate unless all parts are securely in place.
- Limited One-Year Warranty.

ELECTRICAL

Voltage: 120

Frequency: 50/60Hz

Watts: 420

Amps: 3.5
